Herm introduces the 5 principles at Alpha Zeta Beta induction ceremony

“...I believe he can reach any student or youth group and make a positive, lasting impression on them...I encourage you to reach out to Mr. Allen to speak to your students.”

**Martha Mial,
Director, Project
Pride, SC**

“Mr. Allen’s presentation really struck a cord with many of these students. I have had other presenters in this class and could tell from the beginning that they were responding differently to this presentation...I was most impressed with Mr. Allen’s presentation and I will definitely continue to ask him to return in future sessions.”

**Stef Goodenow,
Lead Resource
Specialist,
Gateway to College,
Tri-County
Technical College,
